The EVEREST product design philosopy is based on Quality, Innovation and with the Customers Needs always in mind.

ETSC1350 13.5 cu.ft.

- Mechanical Temperature Control
- Clean Back Design
- Double Toughened Glass Door Design
- Aluminum Inner Cabinet
- Lighted Panel and Inner LED Light
- Eco Friendly
- Easy Adjustable Wire Shelves
- Recessed Handle
- Key Lock
- Designed for Better Product Exposure

Wide Voltage Range 187-264V

Fan Cooled System with Anti-Fog

Power Supply	230V/60Hz
Rated Power Input	175W
Rated Current	1.25A
Lamp Input Power	1W+1W
Total Storage Capacity	382L
Refrigerant/Charge	R600a/33g
Net Weight	68kg
Unit Dimension	W600xD565xH1915 mm
